2013 BUDGET MESSAGE

DELRAN TOWNSHIP

Fire District No. 1 Budget

FISCAL YEAR: From January 1, 2013 to December 31, 2013

1. Complete a brief statement on the 2013 proposed Annual Budget and make comparison to the current year's adopted budget. Explain significant increases or decreases, if any.

The budget is substantially the same as in 2012. The changes in capital reflect the fact that several capital items were not done in 2012 and are therefore being funded in 2013.

2. Complete a brief statement describing the impact the proposed Annual Budget will have on the Amount to be Raised by Taxation to support the district budget and on the Restricted and Unreserved Fund Balance(s). Explain increases or decreases in the tax rate and utilization of fund balances. **If unreserved fund balance is reduced by more than 10%, explain the projected impact on the following year's budget.**

The budget will increase the amount to be raised by taxes but will stay under the allowable 2% cap. Delran Twp decreased the assessed value of all properties in 2011-12 which has resulted in an increase in the tax rate.

3. Include a statement explaining how the District is complying with the Property Tax Levy Cap. The statement must explain reasons for exceeding the Levy Cap and identify the appropriations that caused the district to exceed the Levy Cap, and how they are being addressed by a referendum.

We are not exceeding the cap levy.

4. If the District plans to pass a Resolution for the Release of Restricted Fund Balance, explain the reason and purposes of the appropriation

The District is anticipating the use of the funds for building improvements: Emergency generator; replacement apparatus floor surface; and improvements to several small structures on the premises.

5. Complete a brief statement on the Annual Budget's proposed capital appropriations and payment methods, including debt service for the proposed budget year and for future years.

Capital Appropriations will not increase the debt service. All items are to be paid for this fiscal year.

6. If the proposed Annual Budget contains an amount for a Cash Deficit of the Preceding Year, pursuant to N.J.S.A. 40A:14-78.6, then an explanation as to reasons for occurrence must be disclosed.

N/A

7. Does the Annual Budget appropriate such sums as it may deem necessary for the purchase of first aid, ambulance, rescue, or other emergency vehicles, equipment, supplies and materials for use by a duly incorporated association, pursuant to N.J.S.A. 40A:14-85.1? If so, detail the organization(s) incorporated name and amounts.

Delran Emergency Squad Inc.
Materials & Supplies - \$28,000.
Equipment - \$5,000.

8. Complete the following based on the municipal assessor's latest information, pursuant to N.J.S. 54:4-35:

7b. Proposed Tax Rate per \$100 of Assessed Valuation	\$.135

No:	☒	Yes:	☐	If yes, how much is appropriated?	\$
-----	-------------------------------------	------	--------------------------	-----------------------------------	----

If you are preparing this workbook WITHOUT having the Instructions and Reference Guide Documents with you as you complete it, STOP and get them and consult them page by page as you complete the budget.

In addition, preparers should note the following as they complete this workbook:

1. Complete the SS pages first - the worksheet has been programmed to reflect totals on many of the budget sheets.
2. The "LC" pages - the Property Tax Levy Calculation pages simplify data entry by having the user enter most data on support pages and some from this sheet. By filling in the cells below on this page, each worksheet will reflect the information and automatically calculate the formulas on each individual worksheet.
3. The individual LC worksheets (tabs) are locked to protect the formulas.
4. Fill in only the green sections on **this** worksheet. All fields on the other LC sheets should be filled in automatically.
5. Worksheets refer to "Adopted budget" (current year) and "Proposed budget" for the year for which the budget is being prepared.

6. Refer to the Budget Instructions and Reference Guide when completing all worksheet pages. They contain important information and explanations about the sheets and how they work. DO NOT prepare the budget without reviewing them carefully.

7. Next, follow the instructions below:

Select the fire district (and county) by clicking the green cell below, then click on the arrow on the right side to choose. This will populate the name and county throughout the workbook. Then continue to complete each of the following green cells.
